

GARDEN CLUB OF CAPE CORAL

SPECIAL EDITION APRIL 2026

MARCH IN THE PARK

**MEMBERSHIP TEA
AND GARDEN TOURS**

March in the Park

The next Ways and Means committee is going to be held at the SW Cape Coral library on April 11 at 9:30. We will be doing a brainstorming meeting for ideas.

Grateful thanks to our GCCC members for your commitment and for volunteering at the 18th annual March in the Park. Extra appreciation goes to those who grew and tended plants all year. Although cold weather and other challenges reduced our supply and turnout, the event still finished on a high note. A special shout out to our DJ Bruce Lawson who did a great job again.

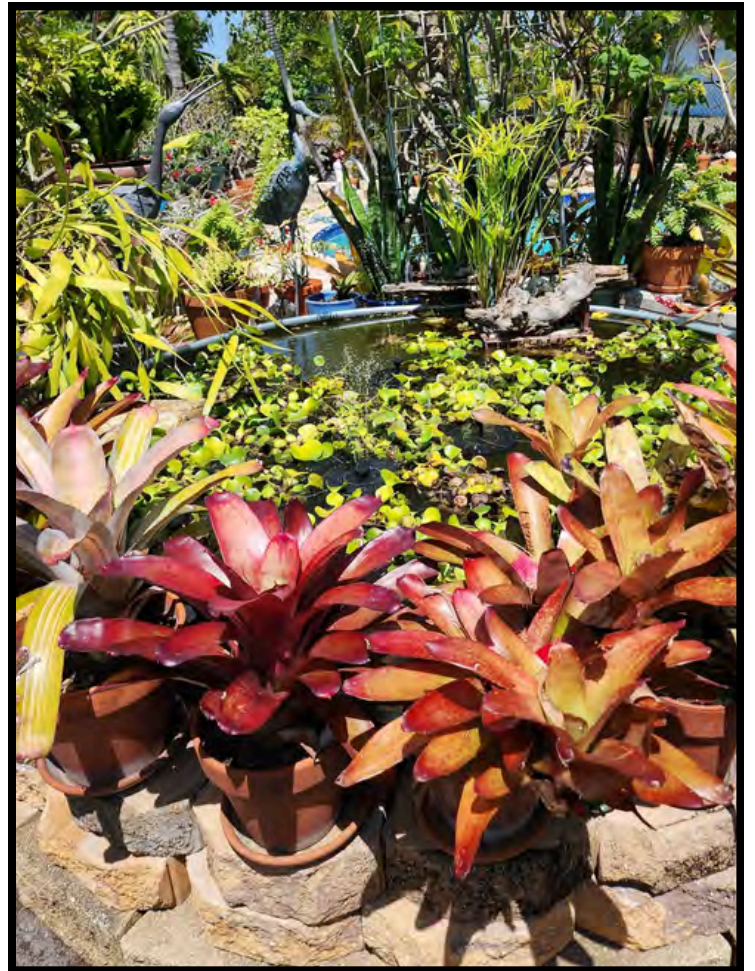

New Membership Tea & GARDEN TOURS

Thank you again to Richard Jarvis, Cheryl Buckley and Beverly Nugent for opening their gardens for us to tour on March 28th. Each so different yet so similar in beauty and dedication shown.

An extra thanks to Beverly for again hosting our new members tea! A beautiful day was had with warm fellowship, good conversations and gardens to visit and admire.

Thank You
Carmen and Marti
for your photography
and video talents!

And to all who shared
photos of these events or
others all year long.
